Nature and range of services	We will provide you with information on a broad range of lenders and loans. Once you have chosen a loan that is suitable for you, we will help you obtain an approval.		
List of panel lenders	We source finance from a panel of financiers. Our current panel comprises of the financiers named in Schedule A.		
Information we need from you	Under the NCCP Act, we are obliged to ensure that any loan, lease, or principal increase to a loan we help you to obtain or any lease we help you to enter is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to: <ul style="list-style-type: none"> • make reasonable enquiries about your requirements and objectives; 		

	<ul style="list-style-type: none"> • make reasonable enquiries about your financial situation; • take reasonable steps to verify that financial situation. <p>Credit will be unsuitable if at the time of the assessment, it is likely that at the time the credit is provided:</p> <ul style="list-style-type: none"> • you could not pay or could only pay with substantial hardship; • the credit will not meet your requirements and objectives. <p>For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason, we must ask you to provide a significant amount of information. It is therefore very important that the information you provide us is accurate.</p> <p>It is important that the information you provide us is complete and accurate, as if we proceed on incomplete or incorrect information, you may be in breach of your legal obligations to the lender.</p> <p>We must provide you with a copy of our preliminary credit assessment of your application if you ask within 7 years of when we assist you. We are only required to give you a copy of the credit assessment if we give you credit assistance.</p> <p>If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use and you should not rely on it.</p>
<p>Fees payable by you</p>	<p>We sometimes charge a fee for our services. If applicable, more details about the fees payable by you will be set out in a quote which we will give you before a finance application is lodged. You may obtain from us information about how these fees and charges are worked out and a reasonable estimate of those fees.</p>
<p>Commissions received by us</p>	<p>We may receive commissions from the lenders who provide finance for you as our customers. These are not fees payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commission is worked out.</p>
	<p>We may have a volume bonus arrangement in place with some lenders under which those financiers may pay us additional commission depending on the total volume of business we arrange with them. You may obtain from us the names of these lenders.</p>

Commissions payable by us	<p>We source referrals from a broad range of sources. For example, we may pay fees to call centre companies, real estate agents, accountants, or lawyers for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.</p>
